Bedardi mere saiyan  
Shabanam hai kabhi shole  
Andar se bade zaalim  
Baahar se bade bhole

Matalab ke hai rasiya  
Hai koi inhe kya samajhe  
Ye khud bhi nahi apane  
Bas inako khuda samajhe  
Dam bhar me ye tolaa hai  
Dam bhar me masha hai  
Dam bhar me ye tolaa hai  
Dam bhar me masha hai  
Banate hai tamashai  
Aur khud hi tamasha hai  
Aur khud hi tamasha hai  
Rah-rah ke badalate hai  
Din-raat nae chole  
Andar se bade zaalim  
Baahar se bade bhole  
Andar se bade zaalim  
Baahar se bade bhole

Har ik adaa mere  
Balam ki niraali hai  
Baate mohabbat ki  
Magar pyaar se khaali hai  
Aadat se hai bade chachal

Surat hai badi sada  
Aadat se hai bade chachal  
Surat hai badi sada  
Aaj isako diyaa kal  
Us se kiya wada  
Kal us se kiya wada  
Harajaai hai in se koi kya bole  
Andar se bade zaalim  
Baahar se bade bhole  
Bedardi mere saiyan  
Shabanam hai kabhi shole  
Andar se bade zaalim  
Baahar se bade bhole.
