Dua karo ke yeh pauda sada hara hi lage

Ye chaand taaro ka aanchal usika hissa hain  
Ye chaand taaro ka aanchal usika hissa hain  
Koi jo dusra aaye to dusra hi lage  
Koi jo dusra aaye to dusra hi lage  
Udaasio mein bhi chehara khila khila lage  
Dua karo ke yeh pauda sada hara hi lage

Nahi hain hair muqaddar mera aur sahi  
Nahi hain hair muqaddar mera aur sahi  
Ye khidaki khol zara subaho ki hawa hi lage  
Ye khidaki khol zara subaho ki hawa hi lage  
Udaasio mein bhi chehara khila khila lage  
Dua karo ke yeh pauda sada hara hi lage

Ajeeb sakhs hain naaraz hoke hasta hain  
Ajeeb sakhs hain naaraz hoke hasta hain  
Main chahata hoon khafa hoto khafa hi lage  
Main chahata hoon khafa hoto khafa hi lage  
Udaasio mein bhi chehara khila khila lage  
Dua karo ke yeh pauda sada hara hi lage

Hasi to aur hain lekin koi kahan tujhsa  
Hasi to aur hain lekin koi kahan tujhsa  
Jo dil jhalaye phir bhi dilruba hi lage  
Jo dil jhalaye phir bhi dilruba hi lage  
Udaasio mein bhi chehara khila khila lage  
Dua karo ke yeh pauda sada hara hi lage  
Sada hara hi lage, sada hara hi lage.
