Oh sikheya streeta cho  
Kitaaba vicho padheya nai

Pahaada naal ladheya ni  
Kehnde aa sikhar jehdi  
Thaa utte o khadhe aa  
Jo khichde aa lataan  
Kehnde sade siro chadheya ni

Start bottom to kita  
Lahu dolke dehadhi kiti  
Apneya kayi mere naal  
Vairiyan to maadhu kiti  
Muhre si namoshi par  
Khichke main fadhi kiti  
Chade sab dogle te  
Haaran naal adhi kiti

Backbytra de dal hun  
Bit-bit chaak de ne  
Sun de ne gaane naale  
Maadha mainu aakhde ne
