Itni let main kya karti

Ghar se nikali baris mein  
Chali school ki taraf chali  
Bhige rashte fisalan thi main  
Ek kadam aage badti  
Ha ha ha ha to mere  
Kadam fisal jate  
Main char kadam pichhe jati  
Phir school kaise pahochi  
Maine ghar ki taraf muh mod liya  
Aur yu hi fislte chalti rahi  
Yu fislte girte sambhlte  
Pahuch hi gayi main school  
Hum bache haste hasate hai  
Hum sabka dil bahlate hai  
Hum bache haste hasate hai  
Hum sabka dil bahlate hai.
