

I One Love Four You Three Lyrics

English

I one love four you three
I one love four you three
Bolo one four three yaane
I love you, bolo one four three

I love you huwa purana
I love you huwa purana
Yeh naya hai jamana

Yeh naya hai jamana
Nayi nayi baat karo
Jab bhi karo
Hur ho ya pari
I one love four you three
Bolo one four three yaane
I love you, bolo one four three

I love you huwa purana
Yeh naya hai jamana
Yeh naya hai jamana
Nayi nayi baat karo,
Jab bhi mulaqat karo
Hur ho ya pari
I one love four you three
Bolo one four three yaane
I love you, bolo one four three

Aaj naya hai naam
Toh kal yeh purana hoga
Har ek aahiq iss naam ka
Deewana hoga
Hamse milaa lo nazar
Tumhare aashiq hai hum
Jaan jo mango denge
Tumhe tumhari kasam

Hum hai tumhare, dil bhi tumhara
Humko tumhare roop ne mara
Hum hai tumhare, dil bhi tumhara
Humko tumhare roop ne mara
Bolo tum one four three
Bolo tum one four three
Kaho one four three yaane
I love you, bolo one four three

Surat hai na hai shakal
Kehata hai one four three
Haan one four three
Aao milake sabak isse sikhaye abhi

Paagal deewani hai, aashiq aawara hai tu
Dekhi jo har ladki chakkar chalata hai tu
Pyar mohabbat yeh janata nahi
Aashiqi hai kya pehchanata nahi
Pyar mohabbat yeh janata nahi
Aashiqi hai kya pehchanata nahi
Kyun bole one four three
Kyun bole one four three
Bolo one four three yaane
I love you, ho bolo one four three

Ladki hai tu bijali, sola hai teri umar
Gore gore gaal hai, patali hai yeh teri kamar
Haan baaton mein teri mujhe aana nahi
ja re ja Tu ja re ja
pichha Mera tu chhod de maan mera kahaan
Dil se mila le dil ko woh jaani
Do chaar din ki hai yeh jawaani
Dil se mila le dil ko woh jaani
Do chaar din ki hai yeh jawaani
Keh do na one four three
Keh do na one four three
Baba one four three,
Achchha one four three
Maana one four three

I love you huwa purana
I love you huwa purana
Yeh naya hai jamana
Yeh naya hai jamana
Nayi nayi baat karo
Jab bhi mulaqat karo
Hur ho ya pari
Bolo tum one four three
Bolo one four three, kaho one four three
Bolo one four three, kaho one four three
One four three, haan one four three
One four three, haan one four three
One four three, bolo one four three
One four three, bolo one four three.
