

# Kaun Hoon Main Lyrics

---

## English

Who am i kaun hoon main bass wahi jo kal kuchh aur tha  
I was lost apani hi dhun mein, apane hi mein mast tha  
Yeh mujhko kya huva hai, sab kuchh lagata naya hai  
Saara jahaan badal gaya hai, hey wats goin on?  
Yeh main jaanu na  
Who am i kaun hoon main kaun hoon khud ko hi pehchaanu na  
Mujhe kya hone laga hai abhi, yeh main jaanu na

Every moment jo bhi hota hai, tumse kehati hoon  
Every moment kaise hoge tum sochati rehati hoon  
Every thing se jo bhi kehati ho sachcha lagata hai re baaba  
Every thing you do jo bhi karati ho achchha lagata hai re baaba re  
Who am i kaun hoon main bass wahi jo kal kuchh aur thi  
I was lost apani hi dhun mein, apane hi mein mast thi  
Mujhko kya huva hai, sab kuchh lagata naya hai

Saara jahaan badal gaya hai, kya yeh wahi hai  
Jise kehate hai love  
Kya yeh wahi hai jise kehate hai love  
Kya yeh wahi hai jise kehate hai love.
