Aahista aahista aahista aahista

Woh pehali baar beparda  
Nazar ke saamne aana  
Woh pehali baar beparda  
Nazar ke saamne aana  
Meri najhuk umango se  
Woh tera khel ke jaana  
Shararat phir woh  
Kar jaana magar  
Aahista aahista  
Aahista aahista

Na dekho aisi nazon se  
Khatta ho jaayegi mujhse  
Na dekho aisi nazon se  
Khatta ho jaayegi mujhse  
Mohabbat ki haseen woh  
Rashm add ho jaayegi mujhse  
Meri tum aaj ban jaana magar  
Aahista aahista aahista aahista.
