Maa, o maa  
Maa, o maa  
Paas bulati hai  
Kitna rulati hai  
Paas bulati hai  
Kitna rulati hai  
Yaad tumhari jab jab mujhko aati hai  
Aati hai  
Paas bulati hai  
Kitna rulati hai  
Paas bulati hai  
Kitna rulati hai  
Yaad tumhari jab jab mujhko aati hai  
Aati hai  
Jinke sar pe mamta ki duayein hain  
Kismat waale woh hain jinki maaein hain  
Jinke sar pe mamta ki duayein hain  
Kismat waale woh hain jinki maaein hain  
Jism to hota hai, par jaan nahi hota  
Unse poocho, jinki maa nahi hoti  
Lori sunati hai, chup ke sulati hai  
Lori sunati hai, chup ke sulati hai  
Yaad tumhari jab jab mujko aati hai  
Aati hai...

Aaja seene se tujhko lagaa loon mein  
Cheer ke tujhko dil ko, dhadkan mein chupa loon  
Main  
Aaja seene se tujhko lagaa loon mein  
Cheer ke tujhko dil ko, dhadkan mein chupa loon  
Main  
Saawan ban ban ke meri aankhein bharti hain

Tere liye kitna ye pal pal tarsi hain  
Kitna sataati hain, jaane jaati hain  
Kitna sataati hain, jaane jaati hain  
Yaad tumhari jab jab mujhko aati hai  
Aati hai...  
Aaaaaa...
