Aa kaal firda tu kida dabb naal chakki ve
Ho jake kanpur aya ton khabar pakki ve

Ho saada layi o saada layi oh chup ho jayu
Chup jinne jatta teri todi aa

Haan le leya tu jatta pistol chori da
Dass kihdi launi rabb nal paundi aa
Kihde naal chale teri laag daat ve
Dass kihdi reh gayi umar thodi aa
Le leya tu jatta pistol chori da

Haan town vich aaj teeja choutha geda
Aa haathi aali chaal teri gaddi turdi
Haan lal ankh veriyan nu mare dabke

Main laadu khunje saab sohniye

Nava look leanda daudh lakh da
Tu chaal mere naal taan sahi oye
Safar lamba ae bombay takk da

Ho dasmi ch laye kabze
Ho dasmi ch laye kabze
Je tu ashiqui ch gabhru nu parkhe
Oye loka da dimaag chalda
Oye chaalde yara de dabke

Chup rehke sari janda aa
Billo dass kyun machona phir shore ni
Dekhi tu chingari baldi oye
Auna hale gabhru da daur ni

Vadde vadde thama nal khehnda firda
Hale baliye umar jidi thodi aa

Ho jide nam te reward jide chalde jugad
Billo yar tera velliya da mauri aa
Ho jide nam te reward jide chalde jugad
Billo yar tera veliya da mauri aa

Haan lukne nu labhdi na than vairu nu
Jithe aa garari teri adhe jatta
Laggi 452 tu taan tinch jande
Vadd jana vairiya de ghare jatta ve

Zindagi jioni chonde tere vangeya
Kaal da javaak badi feel chukde
Rahi end utte jina nu support teriya
Live hoke ohi kalakar bukk de

Jassi lokhya ve tu ni tere link bolde
Aha jatt mera jatt mera poora tauri aa

Haan le leya tu jatta pistol chori da
Dass kihdi launi rabb nal paundi aa
Kihde naal chale teri laag daat ve
Dass kihdi reh gayi umar thodi aa
Le leya tu jatta pistol chori da.
