

Woh Phule Phule Firte Hai Lyrics

English

Wo phule phule firte hai
Jinki kismat ko phul mile
Hum kis kismat par naaz kare
Hum kis kismat par naaz kare
Jinko thokar ki dhul mile
Wo phule phule firte hai

Humne bhi sitare mange the
Kaliyo ki tamanna ki hamne
Khushiyo se sahara manga jab
Khushiyo se sahara manga jab
To saath diya hamko gum ne
Unke sehre pe moti tange
Hamko sehra ke babul mile
Hum kis kismat par naz kare
Jinko thokar ki dhul mile
Wo phule phule firte hai

Unse kya shikayar hai hamko
Jinki takdir mein khubi hai
Apni to kinare par aakar
Apni to kinare par aakar
Har bar ye kashti dubi hai
Manzil ki meharbani un par
Jin ko rahe an phool mile
Hum kis kismat par naz kare
Jinko thokar ki dhul mile
Wo phule phule firte hai.
